Once you have completed the rental form, you will be taken to the Rental form, where you will see a list of vehicles. This can be seen in the screenshot above, in the bottom left.

	RegistrationNo	Manufacturer	Model	Engine
▶	AB12 R3N	Toyota	Corolla	Petrol
	AB12 R4H	Toyota	Corolla	Petrol
*				

From the screenshot above you see an enlarged view of the list of the vehicles. From this list you see what the certain properties of the vehicles are. Once a vehicle has been chosen, you will need the Registration No of that particular vehicle.

<b>Registration No</b>	<input type="text" value="AB12 R3N"/>	<input type="button" value="Search"/>
------------------------	---------------------------------------	---------------------------------------

Once you have selected a vehicle, enter it into the field that is shown above. This can be found on the left of the form. Then click the search button.

---

<b>Rental ID</b>	<input type="text"/>
<b>Customer ID</b>	<input type="text" value="123654"/>
<b>Registration No</b>	<input type="text" value="AB12 R3N"/> <input type="button" value="Search"/>
<b>First Name</b>	<input type="text" value="Dipesh"/>
<b>Last Name</b>	<input type="text" value="Makwana"/>
<b>Mobile</b>	<input type="text"/>
<b>Manufacturer</b>	<input type="text" value="Toyota"/>
<b>Model</b>	<input type="text" value="Corolla"/>
<b>Start Date</b>	<input type="text" value="17/03/2017"/> <input type="button" value="Calendar"/>
<b>End Date</b>	<input type="text" value="18/03/2017"/> <input type="button" value="Calendar"/>
<b>Duration</b>	<input type="text" value="1"/>

When you click the search button, the data will be imported from the table and added to the fields, in order to prevent you from wasting time.
